Trustee's Report Pursuant to Local Rule 3011 -- 1(b):

On July 9, 2010, I issued check no. 109 to NCI Portfolio Services ("NCI") in the amount of \$782.24, and sent the check to the address listed proof of claim no. 10. NCI did not cash the check. On 10/19/09, I stopped payment on the check, and issued check no. 111 as a replacement check. I sent the replacement check to the attorney listed on the claim along with a copy of the claim. The replacement check was never cashed. On March 24, 2010 my office called the attorney listed on the claim and left a message regarding the replacement check. We did not receive a response and the replacement check was never cashed.
